Come fly with with me
I get a kick out of you
I only have eyes for you
I've got you under my skin
It had to be you
Lets fall in love
Moon River
My funny valentine
Night & Day
Something stupid
Strangers in the night
The way you look tonight
East of the sun west of the moon
My Way
New York New York
That's Life
Quando, quando, quando
A foggy day (in London town)
Can't buy me love
Come fly with me
Crazy little thing called love
Dream a little Dream
Feeling good
Fever
For once in my life
Home
How sweet it is
I've got you under my skin
Kissing a fool
Mack the knife
Moondance
Save the last dance for me
Song for you
Summer wind
Sway
